## NOTICE TO RESIDENTS

This Notice is sent to inform residents of Route 28 Bypass that the Town of Derry has recently awarded the proposed Water Main Project along Route 28 Bypass between Olde Coach Road and Westgate Road.

The work will be performed by American Excavating Corp.

Work shall begin April 12, 2010 and be substantially completed by May 21, 2010. The typical work day shall be 7:00AM to 4:00PM Monday thru Friday.

The scope of the project is to install approximately 1000 linear feet of new water main along the Bypass between the above mentioned roads. While work is in progress, access to individual driveways may be limited due to the location of excavation. During the work day, the Bypass shall be limited to one lane however the road shall be open each night and on weekends.

If you have any questions or concerns during the project, please contact Clint Havens or Mark L'Heureux at 432-6144.

Thank you for your cooperation.
