

3616.2 Monitoring charge for radio box fire alarm systems – non-Derry occupancies

3616.2.1 Any radio box fire alarm in the Derry catchment area that is connected to the Derry Fire Department by way of radio signal receiver shall pay a monitoring charge to the Town of Derry.

3616.2.2 All commercial/residential radio fire alarm box owners shall pay an annual monitoring fee for each calendar year (see fee schedule). New systems installed shall be charged a pro rata fee per month or part of a month until December 31 of the installation year after which the annual fee will take effect on January 1.

Note: Municipal occupancies (i.e., Town offices, schools) in communities with dispatch contracts with the Derry Communications Center will be exempted from monitoring fees.

3616.2.3 Fees for fire alarm monitoring. Effective December 1, 2009:

Commercial radio box - annual monitoring charge - \$25/month	\$300
Residential radio box - annual monitoring charge - \$20/month	\$240
Municipal radio box - annual monitoring charge - n/c	n/c

3616.5 Liability limited.

3616.6 The Town shall take every reasonable precaution to assure that the alarm signals and alarm messages received by the Fire Department are given appropriate attention and are acted upon with dispatch. Nevertheless, the Fire Department shall not be liable for any defects in operation of alarm devices, nor for the failure or neglect of any person in connection with the installation and operation of alarm signals or the receipt or relaying of such signals and messages.

3616.7 In the event that the Fire Department finds it necessary to disconnect an alarm device, the Fire Department shall incur no liability by such action. The Fire Department does have the responsibility for immediate notification to the registered owner whose fire alarm device has been disconnected.
